# **INDEPENDENCE DAY CELEBRATIONS 2024**

## Independence Day Celebration at Mahendra College of Engineering

**Date:** August 15, 2023

**Venue:** Mahendra College of Engineering Campus

### Event Overview:

The Independence Day celebrations at Mahendra College of Engineering were filled with enthusiasm, pride, and unity. The event began with a flag hoisting ceremony followed by a series of activities that showcased the spirit of patriotism and student achievements.

### Event Schedule:

#### 1. Flag Hoisting Ceremony

- **Time:** 8:00 AM
- **Chief Guest:** Executive Director, Mr. Samson Ravindran
- **Details:**

The celebration commenced with the hoisting of the national flag by the esteemed Executive Director, Mr. Samson Ravindran. The flag was raised while the national anthem played, filling the air with a sense of unity and patriotism. A large gathering of students, faculty, and staff stood in reverence to honor the nation.

#### 2. NCC Parade and Demonstration

- **Time:** 8:30 AM
- **Venue:** College Ground
- **Details:**

The National Cadet Corps (NCC) students of Mahendra College of Engineering presented a brilliant parade to commemorate the day. The disciplined cadets, dressed in their finest uniforms, displayed their marching skills, followed by various drills and demonstrations. The NCC cadets also paid tribute to the nation's heroes with a salute at the flagpole. The event highlighted the importance of discipline, unity, and leadership among students.

Mahendra Salem Campus,  
Minnampalli, SALEM 636 106  
TAMILNADU

### 3. Prize Distribution for Student Achievements

- **Time:** 9:30 AM
- **Venue:** College Ground
- **Details:**

To honor the remarkable achievements of students in academics, sports, and extra-curricular activities, a special prize distribution ceremony was held. Mr. Samson Ravindran, along with the principal Dr. Mohana Sundara Raju and other faculty members, felicitated the students with trophies, certificates, and medals. The students' efforts and dedication in various fields were celebrated, inspiring the entire college community.
- **Categories of Awards:**
  - Academic Excellence
  - Sports Achievement
  - Cultural Contributions
  - Best NCC Cadet of the Year
  - Leadership Awards

### Event Highlights:

- The flag hoisting ceremony marked the beginning of a day full of patriotic zeal.
- The NCC students demonstrated discipline and unity in their parade.
- A grand prize distribution ceremony celebrated the hard work and dedication of students.
- Cultural performances filled the day with energy, reinforcing the message of national pride.

This Independence Day at Mahendra College of Engineering was a perfect blend of respect for the nation, recognition of student achievements, and a platform to showcase the talents of the next generation of leaders.

## IIC Event Details

1. Name of the Department : Electrical and Electronics Engineering
2. Program/Activity Name : National Energy Conservation Day Celebration  
Activity using posters and creating awareness among Engineering Students for Energy Conservation
3. Facebook URL :
4. Academic Year : 2023-2024
5. Duration of the Activity (in mins) : 1 hrs
6. Start Date : 14.12.2023
7. End Date : 14.12.2023
8. Number of Student Participants : 15
9. Number of Faculty Participants : 2
10. Number of External Participants : Nil  
(if any)
11. Expenditure Amount, if any : Nil
12. Mode of Session delivery : Direct

### 1. Objective of the program :

- Education: To educate engineering students about the importance of energy conservation and its role in sustainable development.
- Awareness: To raise awareness among engineering students about the need for energy conservation and the impact of energy consumption on the environment, economy, and society.
- Behavior change: To promote changes in behavior and habits among engineering students to reduce energy consumption both in their personal lives and in their future professional careers.

- **Skill development:** To equip engineering students with the knowledge, skills, and tools necessary to identify opportunities for energy conservation and implement energy-saving measures in their projects and designs.

## **2. Benefits of the program:**

**Enhanced understanding:** Engineering students gain a deeper understanding of the importance of energy conservation, including its environmental, economic, and social impacts.

**Practical application:** Through participation in awareness programs, students learn practical strategies and techniques for conserving energy in various engineering projects and applications.

**Skill development:** Students acquire skills related to energy-efficient design, renewable energy technologies, and energy management systems, which are increasingly valuable in the engineering industry.

**Problem-solving abilities:** Engaging with energy conservation challenges and case studies helps students develop critical thinking and problem-solving skills essential for addressing complex engineering problems.

**Career opportunities:** Knowledge and expertise in energy conservation make engineering students more competitive in the job market, as many employers prioritize sustainability and energy efficiency in their hiring criteria.

**Personal responsibility:** By raising awareness about energy conservation, students develop a sense of personal responsibility towards sustainable practices, both in their professional careers and personal lives.

**Contribution to society:** Equipped with knowledge and skills in energy conservation, engineering students can make meaningful contributions to society by designing and implementing innovative solutions to address energy challenges and promote sustainability.

Overall, energy conservation awareness programs play a crucial role in shaping the mindset and skillset of engineering students, preparing them to be effective contributors to a more sustainable future.

Faculty Coordinator : Dr.R.Anand  
Student Coordinator : Mr.Sai Sidhartha ( Second year EEE)

### Event photos:

# **OVERALL REPORT:**

## **Objective:**

The primary objective of the energy conservation awareness program was to educate engineering students about the importance of energy conservation and provide them with practical tips and techniques to reduce energy consumption both in their personal lives and in their future engineering projects.

## **Program Overview:**

The energy conservation awareness program consisted of various activities designed to engage and educate the participants. The program commenced with an opening ceremony, during which the organizers introduced the objectives of the event and welcomed the participants.

## **Awareness Presentations:**

The program included a series of awareness presentations to all classes in all branches of engineering on different aspects of energy conservation. Topics covered included:

- Energy-efficient building design
- Renewable energy technologies
- Energy-saving tips for homes and businesses
- Sustainable transportation solutions

The presentations were interactive, allowing participants to ask questions and engage in discussions with the presenters. Practical demonstrations and case studies were also used to illustrate key concepts and techniques.

## **Conclusion:**

The energy conservation awareness program was highly successful in achieving its objectives of educating engineering students about the importance of energy conservation and providing them with knowledge and skills to contribute to sustainable energy practices. The students expressed appreciation for the informative sessions and hands-on activities, and many indicated a desire to implement energy-saving measures in their personal and professional lives. Overall, the event served as an effective platform for raising awareness and fostering a culture of energy conservation among engineering students.

## EVENT REPORT

Date: 28.12.2023

### Workshop on Entrepreneurship and Innovation as Career Opportunity (Entrepreneurship):

Mahendra College of Engineering, Department of Biomedical Engineering in association Institution Innovation Council (IIC) and Mahendra Alumni Interactive Lecture Series (MAILS) organised a workshop titled Entrepreneurship and Innovation as Career Opportunity (Entrepreneurship) on 27.12.2023. The chief guest of this program was Mr. Mejo John, Biomedical Service Engineer, Oxitronix Medical Equipment, Qatar. The Chief Guest of the program was the alumni of the biomedical department, who being an inspiration to his junior students.

45 Students from second year of Biomedical Engineering were benefitted by this workshop.

#### OUTCOME OF THE WORKSHOP:

The resource person explained the relationship between idea and processing that idea into action. The workshop was organized in such a way to promote the importance of entrepreneurship among the students and also there was a small discussion about the skills required to become a successful entrepreneur. He also explained about the importance of entrepreneurship in the modern society.

The participants were benefitted with the various opportunities available to become an entrepreneur.

### RESOURCE PERSON PROFILE

**Mr. Mejo John, Biomedical Service Engineer,  
Oxitronix Medical Equipment, Qatar**

Mr. Mejo John is working at Oxitronix Medical Equipment, Doha Qatar, WLL as Biomedical Sales and Service Engineer. He completed his B.E (Biomedical Engineering) at Mahendra College of Engineering. He had completed his internship at Santhi Hospital, Omassery, Kerala, India and due to his involvement over handling the equipment he had appointed as biomedical engineer in the same hospital during September 2021 and worked for a year. He is expertise in maintaining equipment without breakdown which continuously provides healthcare to all patients in hospital. He served in skilled preventive maintenance. He has good knowledge about NABH & ISO standards. He is expert in handling emergency breakdown and support patient diagnosis and treatment.

## A Report

on

## " NATIONAL START-UP DAY "

Submitted to The Principal,

On 12th Jan 2024, Computer Science and Engineering department Organized Mahendra Alumni Interactive Lecture Series (MAILS) on " NATIONAL START-UP DAY ". The Resource person of the event is Mr. S. SRI VIGNESHWAR, Tech Lead, iBirds Technologies, Bangalore & Mr. S. SRIRAM, Software Engineer, TCS, Bangalore. The session started by 10.30AM. The session was attended by more than 80 attendees including students and faculty of Computer Science and Engineering department.

They explained about the Models behind startups presenting as ventures are usually associated with design science. Design science uses design principles considered to be a coherent set of normative ideas and propositions to design and construct the company's backbone.

Also discussion about Lean start-up has also taken place in which Lean startup is a clear set of principles to create and design startups under limited resources and tremendous uncertainty to build their ventures more flexibly and at a lower cost. It is based on the idea that entrepreneurs can make their implicit assumptions about how their venture works explicit and empirically testing it. The empirical test is to de/validate these assumptions and to get an engaged understanding of the business model of the new ventures, and in doing so, the new ventures are created iteratively in a build-measure-learn loop. Hence, lean startup is a set of principles for entrepreneurial learning and business model design. More precisely, it is a set of design principles aimed for iteratively experiential learning under uncertainty in an engaged empirical manner.

The whole event was very energetic and successful. Students of Computer Science and department raised many doubts and queries. Also well Interacted with resource person.

## NATIONAL YOUTH DAY Celebration 2024

Date: 12.01.2024

Time: 03.00PM – 04.00PM

### ESSAY WRITING COMPETITION

Topic

The Role of Youth in the developing India  
to see India as a developed country

### ELOCUTION COMPETITION

Topic

My Bharat-Vikshit Bharat @ 2047

Your country requires hero's; be hero's your duty is to go on  
working, and then everything will follow of itself.

### Event Report

1. Name of the Department : Electronics and Communication Engineering
2. Program/Activity Name : Essay Competition on “The Role of Youth in the developing india to see india as a developed country” and Speech Competition on “My Bharat – Vikshit Bharat @ 2047”
3. Facebook URL :  
<https://www.facebook.com/photo/?fbid=321636874209763&set=a.321637024209748>
4. Academic Year :2023-24
5. Duration of the Activity (in mins) : 60 Minutes
6. Start Date : 12.01.2024
7. End Date : 12.01.2024
8. Number of Student Participants : 45 Nos.
9. Number of Faculty Participants : 8 Nos.
10. Number of External Participants (if any) : Nil
11. Expenditure Amount, if any : Nil
12. Mode of Session delivery : Offline
13. Objective of the program (Within 100 words) :  
Every year national youth day is celebrated to commemorate the birth anniversary of Swami Vivekananda as his ideologies have been a driving force for country’s youth. The speaker mentioned that according to Vivekananda Education meant secular learning that built character and instilled human values in students. Therefore the students should be properly educated and guided as they are the future of the nation. The initiatives of the government for the youth like Skill India, Make in India were also mentioned by the speaker. The importance of role of youth in various sectors like business / IT, politics, administration services,

like business / IT, politics, administration services, research and society were shared with the students. The session ended with the note that “Education and empowerment are the two most important factors that the youth of our country should be enlightened about. Hence it is always important to facilitate the overall development of the youth to ensure the development of our nation”.

11. Benefit of the program (Within 150 words):

The event was organized to help students to have National Youth Day inspires a sense of responsibility—a realisation that the youth are not passive recipients but active contributors to societal transformation. It is a call to embrace the principles of fearlessness, self-realisation, and service to humanity. Through individual and collective endeavours, the youth can script narratives of progress, fostering a world driven by empathy and positive change.

## EVENT REPORT Students Competition

**Date: 12.01.2024**

Essay Competition on "The Role of Youth in the developing india to see india as a developed country" and Speech Competition on "My Bharat – Vikshit Bharat @ 2047" was organized by the Department of Electronics and Communication Engineering, Mahendra College of Engineering, Salem Campus, Minnampalli, Salem on 12.01.2024. Totally 45 members were attended from our college campus which includes both First Year Students and Second Year Students.

The Event was started by 03.00pm on 12.01.2024 in the ECE Smart Class Room EC3 and this was made to be the most devotion with Tamil thaivazhthu. Students from First Year and Second Year of MCE were participated on Essay competition and Speech Competition on pre announced themes related to National Youth Day celebration/ideologies of Swamy Vivekananda and following rules for each category of events. Two faculty judges from ECE Department evaluated the students' performance using predesigned structured valuation sheets, based on which the prize winners for each category of events were decided.

Valedictory event concluding the institutional Youth Day celebrations for 2024, along with prize distributions for the winners of Essay and Speech. Then the winners were lauded for their performance and prizes and certificates of appreciation were handed over to them by the Principal. Certificates of participation were issued to all students who participated in the competitions. The event concluded with Vote of thanks by the organising member Mr.D.Balaji and National anthem by the students.

### Outcome of the Webinar:

National Youth Day inspires a sense of responsibility—a realisation that the youth are not passive recipients but active contributors to societal transformation. It is a call to embrace the principles of fearlessness, self-realisation, and service to humanity. Through individual and collective endeavours, the youth can script narratives of progress, fostering a world driven by empathy and positive change.

# **Pongal Celebrations at Mahendra College of Engineering, Jan 2024**

## Pongal Celebration Report at Mahendra College of Engineering, Salem Campus

**Date:** January 6, 2024

**Venue:** Mahendra College of Engineering, Salem Campus

### Event Overview:

The Pongal celebrations at Mahendra College of Engineering, Salem, on January 6, 2024, were an occasion of joy, unity, and tradition. The event, organized by the faculty, staff, and students, was a beautiful blend of cultural rituals, fun-filled games, and recognition of achievements. As part of the traditional Tamil harvest festival, the festivities highlighted gratitude to nature, particularly the Sun God, for a prosperous harvest, and were marked by vibrant participation from the entire college community.

### Event Schedule:

#### 1. Traditional Pongal Rituals

- **Time:** 9:00 AM
- **Chief Guest:** Principal, Dr. N. Mohana Sundara Raju
- **Details:**

The celebrations began with the traditional Pongal rituals. The college campus was adorned with kolams (rangoli), and the atmosphere was filled with enthusiasm and festive energy. Under the guidance of the Principal, Dr. N. Mohana Sundara Raju, the staff and students prepared a large pot of Pongal (a sweet dish made from newly harvested rice, jaggery, and coconut), which was then offered to the Sun God in a symbolic gesture of thanksgiving. The ritual was performed following Tamil customs, with sugarcane, bananas, and fresh produce arranged as offerings. The principal, along with faculty members, conducted the prayer and offered the traditional "Pongal" to the Sun God while chanting blessings for prosperity and success in the coming year. The event was marked by a sense of gratitude, reflection, and hope for the future.

#### 2. Traditional Games for Staff Members

- **Time:** 10:00 AM
- **Venue:** College Ground
- **Details:**

To add an element of fun and team spirit to the celebration, several traditional Pongal games were organized for the staff members. These games brought out a spirit of camaraderie and friendly competition among the faculty and staff.

  
**PRINCIPAL**  
Mahendra College of Engineering  
Mahendra Salem Campus,  
Minnampalli, SALEM 636 106  
TAMILNADU

- **"Uri Adi" (Pot Breaking):** Staff members participated in the traditional pot-breaking contest, where blindfolded participants tried to break a hanging pot using a stick, with cheers and laughter filling the air.
- **Tug of War:** A friendly tug-of-war match was held, with staff members from different departments competing, showcasing teamwork and strength.

These games, while enjoyable, also emphasized the values of teamwork, unity, and participation, reflecting the spirit of Pongal.

### 3. Prize Distribution for Game Winners

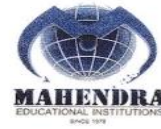

- After the games, the prize distribution ceremony took place, where winners of the traditional games were recognized and awarded. Dr. N. Mohana Sundara Raju presented trophies and certificates to the staff members who had excelled in the games. The winners were congratulated for their enthusiasm and participation, and the ceremony concluded with applause for everyone's efforts in making the event a success.
  - **Categories of Awards:**
    - Best Performer in Uri Adi (Pot Breaking)
    - Winners of the Tug of War

### 4. Cultural Performances

- The celebration continued with a vibrant cultural program showcasing the rich cultural heritage of Tamil Nadu. Students presented folk dances, traditional songs, and skits that reflected the significance of Pongal in Tamil culture. These performances added color and excitement to the event, providing an entertaining experience for all attendees.
  - A **Traditional Folk Dance** was performed by students, depicting the harvest festival and the joyous celebration that accompanies it.
  - A **Pongal Skit** was staged by students, humorously portraying the traditional preparations of Pongal and the cultural importance of the festival in rural Tamil Nadu.

## 5. Event Highlights:

- **Traditional Pongal Rituals:** The preparation and offering of Pongal to the Sun God followed the authentic Tamil customs, marking the spiritual essence of the festival.
- **Traditional Games:** The fun-filled activities, including Uri Adi (pot breaking), Tug of War, and Kavadi Attam, fostered team spirit and unity among the staff members.
- **Prize Distribution:** Winners of the traditional games were awarded for their spirited participation, enhancing the sense of achievement and camaraderie.
- **Cultural Performances:** Students showcased Tamil Nadu's vibrant cultural heritage through dances, songs, and skits.
- **Sense of Community:** The event brought the entire Mahendra College family together in a joyous and festive atmosphere, creating lasting memories.

## 6. Vote of Thanks and Conclusion

### Details:

The event was formally concluded with a vote of thanks by the Dr.R.Anand HoD EEE who is in Charge for event coordination, who expressed appreciation for the hard work and enthusiasm shown by the students, faculty, and staff. The Pongal celebrations at Mahendra College of Engineering, Salem, provided a wonderful opportunity for the entire campus community to come together, celebrate Tamil traditions, and create a sense of unity and joy. The day was a testament to the college's commitment to preserving cultural heritage while fostering a vibrant and inclusive environment

# **Republic Day Celebrations at Mahendra College of Engineering, Jan 2024**

## Republic Day Celebration Report at Mahendra College of Engineering

**Date:** January 26, 2023

**Venue:** Mahendra College of Engineering, Salem Campus

### Event Overview:

The Republic Day celebrations at Mahendra College of Engineering on January 26, 2023, were marked by a sense of patriotism, discipline, and respect for the nation's Constitution. The day began with the ceremonial flag hoisting followed by a series of events, including impressive displays by the NCC (National Cadet Corps) cadets, and a prize distribution ceremony to recognize the achievements of students in NCC activities. The event was an occasion to reflect on the values enshrined in the Indian Constitution and honor the spirit of service, discipline, and dedication shown by the students.

### Event Schedule:

#### 1. Flag Hoisting Ceremony

- **Time:** 8:30 AM
- **Chief Guest:** Principal, Dr. N. Mohana Sundara Raju
- **Details:**

The Republic Day celebrations began with the hoisting of the national flag by the respected Principal, Dr. N. Mohana Sundara Raju. The flag was raised as the national anthem played, evoking a deep sense of pride and unity. Faculty, staff, and students stood in attention, paying homage to the nation and its Constitution. The Principal's speech emphasized the importance of Republic Day in strengthening the democratic values of India.

#### 2. NCC Parade and Demonstrations

- **Venue:** College Ground
- **Details:**

Following the flag hoisting, the NCC cadets of Mahendra College of Engineering displayed their skills in a formal parade and drill demonstration. The cadets marched in perfect unison, demonstrating discipline and precision. The parade was followed by various military drills, including salute formations and flag salutes, all executed with

  
**PRINCIPAL**  
Mahendra College of Engineering

Minnampalli, SALEM 636 106  
TAMILNADU

great attention to detail. The NCC team also showcased their coordination and team spirit through their synchronized performance, symbolizing the values of leadership, teamwork, and national service.

### 3. Prize Distribution for NCC Student Achievements

- **Time:** 9:30 AM
- **Details:**  
In recognition of the exemplary efforts and achievements of students in NCC activities, a special prize distribution ceremony was organized. Dr. N. Mohana Sundara Raju, along with other faculty members, presented certificates, medals, and trophies to the deserving cadets who had excelled in various NCC events and training activities over the year.
- **Categories of Awards:**
  - **Best NCC Cadet of the Year**
  - **Outstanding Performance in NCC Camps**
  - **Excellence in Leadership and Discipline**
  - **Best NCC Volunteer**

The awardees were lauded for their dedication, commitment to service, and contributions to enhancing the spirit of patriotism among their peers.

### 4. Speeches by Students and Faculty

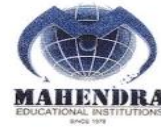

- **Time:** 10:30 AM
- **Details:**  
Following the prize distribution, a few selected students delivered speeches reflecting on the significance of Republic Day and the importance of upholding the values of justice, equality, and fraternity enshrined in the Indian Constitution. They also spoke about the role of youth in nation-building and the importance of discipline and hard work as seen in the NCC activities.

Faculty members also shared their thoughts on the progress of the country, highlighting how students can contribute positively to society through education, discipline, and service.

- The program concluded with a rendition of the popular patriotic song “Vande Mataram,” which filled the auditorium with emotion and pride.

## 6. Vote of Thanks and Conclusion

- **Details:**

The event was formally concluded with a vote of thanks by the NCC Officer in Charge, who expressed appreciation for the hard work and enthusiasm shown by the students, faculty, and staff. He emphasized the importance of patriotism, unity, and dedication to one's responsibilities, urging the students to embody the values of Republic Day every day in their lives.

## Event Highlights:

- **Flag Hoisting Ceremony** by Principal Dr. N. Mohana Sundara Raju, marking the start of the Republic Day celebrations.
- **NCC Parade and Demonstrations** showcasing the cadets' discipline, coordination, and leadership skills.
- **Prize Distribution Ceremony** honoring the achievements of outstanding NCC cadets.
- **Cultural Program** reflecting the spirit of unity and patriotism, with performances by students.
- **Speeches by Students and Faculty** highlighting the importance of Republic Day and the values of democracy.

This Republic Day celebration at Mahendra College of Engineering was a resounding success, reflecting the commitment of the college to nurturing disciplined, responsible, and patriotic citizens who are dedicated to the growth and development of the nation.

MAHENDRA COLLEGE OF ENGINEERING, SALEM-636 106  
WOMEN EMPOWERMENT CELL (WEC)

CIRCULAR

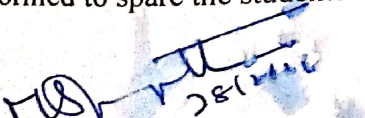

Dt: 28.02.2024

It is proposed to celebrate “International Women’s Day” on 08.03.2024 on behalf of Women Empowerment Cell (WEC) in our college. A number of events for girl students have been identified and they are to be conducted with in the stipulated period. The members of staff mentioned against each item are requested to arrange for the conduct of the respective events and to submit the results to the Coordinator –Women Empowerment Cell immediately after the completion.

S.No	Name of the Event and Title	Date and Time of the Event	Department Incharge
1.	Poetry [Both English and Tamil] Title - “Discrimination against girls in India”	05.03.2024 @ 01.00 pm	CSE
2.	Oratorical [both English and Tamil] Title - “Empowerment of women for the development of Nation ”	06.03.2024 @ 9.30 am	AIDS
3.	Music (Vocal & Instrumental)	06.03.2024 @ 12.15 pm	English
4.	Ad Zap	05.03.2024 @ 3.30 pm	IT
5.	Pot painting & Face painting	08.03.2024 @ 1.00 pm	Physics & Chemistry
6.	Craft Work	06.03.2024 @ 11.00 am	ECE
7.	Mehandi	08.03.2024 @ 1.00 pm	ECE
8.	Carving	08.03.2024 @ 11.30 am	Maths
9.	Rangoli	08.03.2024 @ 9.30 am	BME

The HoDs are requested to give the faculty coordinator name with contact number (For each event one coordinator) for the concerned event on or before 29.02.2024.

All are requested to cooperate in the celebration. The HODs are specially informed to spare the students who may compete in various events.

## DEPARTMENT OF PHYSICS AND CHEMISTRY

### Report – Pot Painting & Face Painting

Date: 11.03.2024

A Face and Pot Painting competition was organized on 8th March, 2024 in Chemistry department at MCE. The programme was organized by the coordinators **Dr.G.Marimuthu, AP/Physics and Mr.R.Ramesh, AP/Chemistry**. Students from various departments participated in the event. Two students participated per team. Totally 16 students participated in the event. This event helped the students to bring out their creative ideas and talents. It was judged by **Dr.A.Prabhu HoD/PHY**. Finally two teams got shortlisted by the judge for awarding prizes. It was really a creative session which exhibited the artistic skills of the students.

## DEPARTMENT OF PHYSICS AND CHEMISTRY

### Report – Drawing

Date: 07.03.2024

A Drawing competition was organized on 5<sup>th</sup> March, 2024 in Chemistry department at MCE. The programme was organized by the coordinators **Dr.G.Marimuthu, AP/Physics** and **Mr.R.Ramesh, AP/Chemistry**. Students from various departments participated in the event. Totally 16 students participated in the event. This event helped the students to bring out their creative ideas and talents. It was judged by **Dr.A.Prabhu HoD/PHY**. Finally winners are shortlisted by the judge. It was really a creative session which exhibited the artistic skills of the students.

TITLE - "DISCRIMINATION AGAINST GIRLS IN INDIA"

## Report

### Poetry Competition

Date: 06.03.2024

On 05.03.2024 in commemoration of International Women's Day, a poetry competition titled "Discrimination against Girls in India" was held in our college for the Girls students from all departments. The major goal of the event is to amplify their thought through poetic expression, shedding light on the pervasive issue of gender discrimination affecting girls across India.

The competition opened with a heartfelt acknowledgment of the challenges faced by girls in Indian society, setting a reflective tone for the evening. Students shared their personal reflections, addressing themes of inequality, societal expectations, education disparities, and the resilience of girls in overcoming adversity.

The Winners list are mentioned below,
