Green Campus Initiatives

Green Campus Initiatives

Green Initiatives–Additional Information

Our Institution strictly follows the Green Campus Initiatives related protocols to maintain Green Environment along with sensitizing the students to be well aware of the protection of the bio-diversity

- The institute encourages the staff and students to use electric vehicles inside the campus.
- Signboards are placed for the Entry Restriction of Automobiles.
- The pedestrian friendly pathways are located in the campus for easy moments.
- Ban on plastic is strictly followed in the campus. Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through display boards in the premises.
- Eco-Friendly plates are used in canteen.
- A beautiful landscape with mix of trees or saplings and herbs and shrubs at various locations in college premises to create eco-friendly environment.

The following green campus initiatives are maintained in our campus for Green Campus Environment

- Signboards to Restrict Automobiles.
- Signboards to speed limit for electric Vehicle.
- Battery Vehicle for pollution free environment.
- Pedestrian friendly pathways for easy moments.
- Plastic ban posters.
- Landscaping with trees and plants for Green Environment.

BAN ON USE OF PLASTIC

- Mahendra College of Engineering is dedicated to making a meaningful contribution to the preservation of our planet. As part of this commitment, the campus strictly prohibits the use of plastics.
- To restrict the use of plastic, measures have been taken to replace plastic teacups and glasses with steel glasses in the canteen.
- The staff and students are informed to use steel or copper water bottles instead of plastic bottles. The institution also conducted Unnatha Bharatha Abhiyan activities on the Ban on use of plastics and created awareness to the faculties the localities in and around the campus.
- Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely, and awareness is created among staff and students through orientation and displayboards in the premises.

We have prominently voiced "Ban Plastic" posters within the canteen premises.

LANDSCAPING WITH TREES AND PLANTS

- Landscaping of the college is worth seeing and reflects aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates.
- The landscape is filled with plants at various locations in college premises to create an eco-friendly environment.
- For maintenance of these trees, we have fully dedicated 11 persons. Which are responsible for supplying compost fertilizer every 3 months, monthly nonchemical pesticides (Neem leaves and salt water), every day cleaning and cutting on every 15 days.
