EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 28.05.2024

Report Voter awareness Campaign for Public:

A camp was conducted at the village of Chinnagoundapuram, Salem to create an awareness among the people on the necessity of exercising their right to vote by the NSS unit of Mahendra College of Engineering on 27.05.2024. Around 50 student volunteers of the NSS unit of our institution reached the village of Chinnagoundapuram by 10 o'clock in the morning. They played videos, gave lectures and talked to the people of the village in person and explained why they should exercise their voting right. This awareness program became a great success and the public living in the village responded very positively to the volunteers' activities. The awareness program came to a close by 4 o'clock in the evening.

OUTCOME OF THE PROGRAMME:

People who were not aware of the importance of their voting right came forward to ask questions related to their voting right. It was very evident that they have understood the importance of voting in all the elections.

EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 22.05.2024

Report Awareness on Digital Marketing Product :

Marketing was proposed to be conducted by the NSS unit of our Mahendra College of Engineering in the village of Minnampalli on 20.11.2023. Nearly 50 NSS volunteers of our Mahendra College of Engineering reached Minnampalli village on the morning of 20.05.2024 with their NSS officer . The aim of the program is to make people be aware of digital marketing and its advantages. The NSS volunteers spoke to the people explaining the facilities and advantages of doing digital marketing. They explained to the people that E-commerce (electronic commerce) is the buying and selling of goods and services, or the transmitting of funds or data, over an electronic network, primarily the internet. They were also given the informations that these business transactions occur either as business-to-business (B2B), business-to-consumer (B2C), consumer-to-consumer or consumer-to-business. The volunteers of our NSS unit continued this awareness program till 4:00 p.m. on that day.

OUTCOME OF THE PROGRAMME:

As most of the people and the businessman in the village of Minnampalli had never known the informations regarding e-marketing , the facilities and the advantages that the E-Commerce marketing offers them, it was enlightening to them in many areas of business methods. The program was appreciated not only by the businessmen but also by the common people of Minnampalli.

EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 15.05.2024

Report Awareness on Pledge for Life Tobacco Free Youth:

Kullampatti is a village located near Mahendra College of Engineering. The Management of Mahendra College of Engineering wanted to create an awareness among the youth of the village regarding the health hazards and mental and physical damage that the use of tobacco in different forms is causing on the youth. So the Management requested the NSS officer to conduct an awareness program in the village teaching the youth of the village on how to free themselves from tobacco addiction.

The management proposed to conduct the program on 03.05.2024. A team of 55 NSS volunteers reached the village of Kullampatti and started their awareness program by speaking to the youths of the village from the morning to the evening. In the morning they gathered around 200 men and women in the community hall where they were exposed to the motivational programs done by different resource persons including two doctors. Skits, dramas and real life scenes demonstrating the ill effects of tobacco were where played to them. After the day long exposure to the facts and realities of the addiction, the youth of the village came to know every possible solution to come out of the problem of tobacco addiction. In the evening both the parents and their wards took pledge to come out of the addiction and to eradicate the use and sale of tobacco products in their village.

OUTCOME OF THE PROGRAMME:

As a result of continuous motivational speeches and demonstration by various motivational speakers and the medical experts the youth of the village of Kullampatti were educated to face the problem of tobacco addiction. The village people along with the youth of their village took pledge to eradicate tobacco from their village. This awareness program was very successful one.

EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 13.05.2024

Report Tree Plantation Programme:

To avert the climate change problems, global warming, soil erosion, reduce pollution and bring rains afforestation has become inevitable. By increasing the green cover on the earth we can minimise the above problems and save the earth. As part of our contribution to help create green cover Mahendra College of Engineering with its NSS unit decided to motivate the people of the nearby village called Periyagoundapuram to increase the number of trees in their village wherever possible. The student volunteers of NSS numbering around 60 reached the village of Periyagoundapuram on the morning of 10.05.2024 and conducted an awareness program on the necessity of plantation of trees in their village. The village people were met by our volunteers at their door steps. They also conducted meetings and talked to the people directly about the scientific fact behind that plantation of trees in their village. The volunteers explained to the villagers the benefits of planting trees in their village. They also distributed varieties of tree saplings to almost all the people gathered there. With the permission of the village authorities our student volunteers of NSS planted different species of trees in the vacant lands available in the village. This effort of our NSS student was appreciated by the villagers.

OUTCOME OF THE PROGRAMME:

After the village people attended the awareness program one could see the change in their mind. Some people came forward to show us vacant locations where number of trees can be planted and also they have promised to plant trees in the vacant places available. They also have understood how important it is for the soil and the groundwater to have a green cover over their lands

EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 22.04.2024

Report Road Safety Helmet Awareness Programme:

An awareness program on Road Safety and Helmet Awareness was arranged by the NSS unit of Mahendra college of Engineering at on 18.04.2024 Around 48 student volunteers of the NSS unit of our institution reached Periyagoundapuram in the morning of 18.04.2024. They carried banners and placards during the rally from Periyagoundapuram to the main Junction of the national highways. They shouted slogans related to helmet awareness, traffic rules and road safety. The public who witnessed this rally appreciated the NSS volunteers. The program ended by 2 o'clock in the afternoon.

OUTCOME OF THE PROGRAMME:

The public of Periyagoundapuram were motivated to follow the traffic rules and be aware of wearing helmet and the pedestrians were alerted about the traffic rules and road safety.

EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 18.04.2024

Report Promoting Road Safety: Helmet Awareness Campaign:

An awareness program on Road Safety and helmet awareness Campaign was arranged by the NSS unit of Mahendra college of Engineering at on 15.04.2024. Around 50 student volunteers of the NSS unit of our institution reached Karipatti in the morning of 15.04.2024. They carried banners and placards during the rally from Karipatti to the main Junction of the national highways. They shouted slogans related to helmet awareness, traffic rules and road safety. The public who witnessed this rally appreciated the NSS volunteers. The program ended by 2 o'clock in the afternoon.

OUTCOME OF THE PROGRAMME:

The public of Karipatti were motivated to follow the traffic rules and be aware of wearing helmet and the pedestrians were alerted about the traffic rules and road safety.

EVENT REPORT

NATIONAL SERVICE SCHEME

Date: 05.04.2024

Report Awareness on Digital Literacy Programme :

An awareness program on digital literacy was proposed by the NSS unit of Mahendra College of Engineering to be conducted at Minnampalli, one of the villages in Salem District. Around 55 student volunteers of the NSS unit of Mahendra College of Engineering reached Minnampalli on 03.04.2024. The aim of the program was to feed the people of the village with the knowledge of digital literacy in bank transactions and other important Communications. The officials and the volunteers gathered the people in an auditorium and spoke to them about the importance of digital knowledge which is the need of the hour when every communication and transaction is done digitally, nowadays. The program started by 10 o'clock and it continued till 04.00 p.m. in the evening. More than 250 people of the village participated in this program.

OUTCOME OF THE PROGRAMME:

The direct demonstration given by our student volunteers helped the people to learn digital communication and transactions. Many people came forward to learn the digital operations. The public asked many questions and got them clarified.

Report Awareness on Digital Literacy Programme in association with Promotion of Research Education Awareness and Community Health Society (PREACHS):

An awareness program on digital literacy was proposed by the NSS unit of Mahendra College of Engineering to be conducted at Chinnagoundapuram, one of the villages in Salem District. This Digital Literacy Awareness program was done in association with with Promotion of Research Education Awareness and Community Health Society (PREACHS). Around 40 student volunteers of the NSS unit of Mahendra College of Engineering reached Chinnagoundapuram on 26.03.2024 with the officials from Promotion of Research Education Awareness and Community Health Society (PREACHS). The aim of the program was to feed the people of the village with the knowledge of digital literacy in bank transactions and other important Communications. The officials and the volunteers gathered the people in an auditorium and spoke to them about the importance of digital knowledge which is the need of the hour. The program started by 10 o'clock and it continued till 04.00 p.m. in the evening. More than 260 people of the village participated in this program.

OUTCOME OF THE PROGRAMME:

The direct demonstration given by the volunteers from Promotion of Research Education Awareness and Community Health Society (PREACHS) and our student volunteers helped the people to learn digital communication and transactions. Many people came forward to learn the digital operations. The public asked many questions and got them clarified.
