Certificate

This is to certify that Mr G.Ramkumar, final year B.E. Civil Engineering student studying in Mahendra College of Engineering, Salem has undergone Internship in our company from 30/07/2021 to 26/08/2021.

During this period, he was given training in the areas of load calculations in Analysis of buildings, Design of various reinforced concrete elements, properties and testing of various Construction Materials and methods of executing different Construction Practices etc., related to our ongoing project "Construction of Golden Earth School Building in Yercaud foothills, Salem".

He is interested in learning new things and found to be active during our interactive sessions. He was also submitting his findings in time for the assignments given to him.

We wish him all success in his professional career after the graduation.
