

## **Go Green Club**

### **Vision:**

To create better planet for the future generations

### **Mission:**

‘Go Green Club’ is dedicated to spread awareness among the students regarding conservation and protection of the environment by organizing green events.

The committee also promotes green lifestyle among the students by making them aware about the importance and necessity of green environment

To give students the opportunity to learn about and take action on environmental issues.

To spread enthusiasm and knowledge within our college and community through awareness events, activities, and programs.

### **Objectives:**

To create awareness among the students and public to know the problems regarding the environment and the importance of going green.

The Go Green Initiative works toward fostering sustainable college and clean environments that students need today in order to have a healthy planet for tomorrow.

The Go Green Club is a place where students can learn to make better choices for the planet and community.
